

Name:

Aron Seng

Occupation:

Photographer

Workplace:

Freelancer

**Demographics**

Age: 25

Gender:

Male

Education:

College Graduate

Skills:

Skilled in professional photography. Knowing to correct terms and functions of print and creative design in photography.

Environment:

Working as a freelance photographer for various magazines and companies. Wanting to do more with my work than just the norm.

Attitude:

Positive in terms of work ethics. Works hard and is willing to learn new things.

Goals:

A personal goal is to be able to use my photography for other forms of media. I want to be able to display my creativity through other means and use my photos as a support to that project. Something that caters into writing because that is always fun to do and work on in the long run.
